

# ANIMALS OF THE AFRICAN SAVANNAH

## English

This term we will be exploring the book One day on our blue planet in the African Savannah.

We will be creating information pages, writing our own narratives and creating our own characters.

## Guided Reading

This term we will be exploring the book Zarraffa Giraffa, we will look at recalling the story and discussing the events that have taken place.

## RWI

We will continue to do RWI daily, learning new sounds and recapping sounds we already know. We will be focusing on ensuring children can decode unknown words including alien words and read with greater fluency. We will send alien words home

## Maths

We will be continue to explore number. We will start with place value up to 20 using different manipulatives to represent number, showing one more and one less, greater, less that and equal to numbers as well as reasoning about numbers within 20.

We will then move on to addition and subtraction within 20. We will partition numbers, create various number sentences with the partitioned number, look at bonds addition and subtraction facts to 20.

## PE

We will be continuing to develop our football skills as well as using the gymnastic equipment to develop our agility and co-ordination.

Please ensure outdoor PE kit is also in school each week.

## DT

We will using our knowledge of animals and designing and creating our own junk model African animal.
